Hilltop Hood—Slow to begin. Could not be tested close to the line when awkwardly positioned on the heels of *Bear Esteem*.

Away She Goes—Began awkwardly.

Little Naïve—Whilst parading in the mounting enclosure the filly reared over backwards and fell, resulting in its rider B. El-Issa being dislodged. Rider B. El-Issa sustained no injury in the incident. The filly was examined by the club's veterinarian upon arrival at the start and was passed fit to race. Co-trainer Mr P. Jones was advised that a warning would be recorded against the filly's behaviour. Held up making the home turn and until after the 200 metres.

C. Brown's licence to ride in races was suspended for a period to commence on Sunday 25 February 2018 and to expire on Saturday 10 March 2018, on which day he may ride. Held up in the early part of the straight and until passing the 250 metres when it was disappointed for a run to the inside of *Ten Tigers*, and had to be restrained and shifted out.

RACE 5: AFFINITY ELECTRICAL TECHNOLOGIES LIGHTNING RIDGE – 2YO PLATE **1000M**

Fallgold— When questioned regarding the performance of the filly which was on debut, rider C Brown stated that his mount was agitated prior to the race and raced keenly in the early and middle stages and whilst this had some bearing on its ability to finish off its race, it was nevertheless disappointing in its failure to respond to his riding in the straight. Yankee Foxtrot—A post-race veterinary examination of the gelding, which raced wide throughout, revealed no abnormalities.

From Pentridge—Slow to begin.

Morning Music—Raced wide throughout. An objection was lodged by the connections of the mare which was placed second against the winner *Rapture Miss* alleging interference passing the 200 metres. On the evidence it was established that passing the 200 metres *Rapture Miss* shifted out and inconvenienced **Morning Music**. Bearing in mind that **Morning Music** also lost momentum in the incident and also considering the fashion in which the mare finished its race off and the small margin of only a long head between the respective runners, as Stewards were satisfied that had the interference not occurred that **Morning Music** would have finished ahead of *Rapture Miss*, the objection was upheld. Stewards amended the placings to read first, No.15 **Morning Music**, second, No. 5 *Rapture Miss*, third, No. 3 *Silky Mover*, and fourth, No. 15 *Eden Road*.

Eden Road—When the pace was only moderate in the middle stages, the gelding was allowed to stride forward from the 1200 metres to take up the lead.

Pradier—An inquiry into the reasons why the gelding was checked passing the 700 metres was adjourned to a date to be fixed.

Supa Hong Kong—Raced wide for some distance in the early stages.

Zoumagic—Slow to begin.

Super Star Bob—When questioned regarding the performance of the gelding, rider J. Ford stated that his mount did not travel at any stage of the event, whereas it normally races quite keenly and proved disappointing in its failure to run on in the straight. A post-race veterinary examination of the gelding revealed it to be mildly lame (1-5) in the near foreleg. Trainer Mr M. Dale was advised that a veterinary clearance was required prior to the gelding racing again.

Forever Newyork—Stewards approved the late addition of synthetic hoof filler to the near fore hoof of the gelding. Public announcements were made. Hung out in the middle stages of the event. When the gelding continued to hang out approaching the home turn, it afforded *Tougherthantherest* an opportunity to improve through and to its inside.
