RACE 1: CANBERRA TOYOTA MAIDEN HANDICAP

1000M

Love Me Broke—Slow to begin. Near the 350 metres was steadied and lost ground after it laid in close to the heels of *Luckysheperfect*, which rolled outwards. When questioned, rider K. Nisbet stated that her mount, which was slightly slow to begin, failed to display any early speed and raced greenly in the straight. She added that in her opinion the colt may benefit from a step up in distance and the addition of blinkers. A post-race veterinary examination of the colt did not detect any abnormalities. Stable representative Ms T. Lambert could offer no explanation for the performance and advised it was now the stable's intention to apply blinkers to the colt. Ms Lambert was advised that **Love Me Broke** must barrier trial to the satisfaction of Stewards before racing again.

Luminescent—Trainer Mr S. Englebrecht was fined \$50 under AR106(1) for presenting the mare to the mounting yard without blinkers. The blinkers were subsequently fitted behind the barriers.

Colonel Penaga—Co-trainer Mr R. Price was fined \$50 under AR206(2) for the late application to remove the tongue tie from the gelding. Slow to begin.
