RACE 1: CLEANAWAY CLASS 1 & MAIDEN PLATE

2000M

Judge Doom—When questioned, App. M. Kinny stated that she was instructed to attempt to lead. She added however that after beginning from a wide draw and when runners drawn to her inside showed superior speed her mount raced wide making the turn out on the straight on the first occasion and ultimately settled further back than had been anticipated. She added that her mount, which is one-paced, was well suited at Queanbeyan last start on 26 September 2016 when it was able to lead on that occasion and won but today was not able to sprint with the field from the 600 metres but nevertheless ground away well in the straight.

Jackalope—Rider S. Miller was questioned regarding his riding passing the 100 metres in relation to whether there was an opportunity to improve into a narrow run between *Judge Doom* and *Mitch 'N' Jazz*, which was positioned to the inside of that runner. S. Miller stated that his mount was under pressure prior to the turn and he had formed the view that his mount would not be in contention for the placings and when making only fair ground near the 100 metres his mount was disappointed for a run to the inside of *Mitch 'N' Jazz* and as a consequence had to be steadied. He added that as *Judge Doom* was positioned to his outside at the time of the incident he did not believe that there was a

sufficient run available to improve to the inside of that gelding and Mitch 'N' Jazz. Whilst Stewards accepted that there was only a narrow run between Mitch 'N' Jazz and Judge Doom passing the 100 metres he was advised that in the view of the Stewards it would have been more preferable for him to attempt to take that run.

Well Overdue—Began awkwardly.

RACE 2: SKY RACING RACECALLERS CUP BENCHMARK 65 HANDICAP 1600M

Brimstone—When questioned regarding the performance of the gelding, rider M. Travers stated that his mount travelled particularly well during the early and middle stages, however soon after straightening was under pressure and weakened in the run to the line and was most disappointing. He further added that whilst the gelding had previous wet track form, in his view his mount had not handled today's heavy track. A post-race veterinary examination of the gelding revealed no abnormalities.

Dylan's Romance—When questioned regarding the performance of the gelding, W. Costin stated that on straightening her mount was not travelling well enough to take advantage of a run between *Brimstone* and *Dapperized*, which shifted in, however after being disappointed for that run then did not run on at any stage thereafter and in her view was not comfortable on today's heavy track conditions. A post-race veterinary examination of the gelding revealed no abnormalities.

Golan Power—When questioned, App. N Burrells stated that she was instructed to lead. She added however after being slow to begin and bearing in mind her instructions during the middle stages she allowed her mount to stride forward, however the gelding was unable to find the lead and as a consequence was obliged to race wide for the remainder of the event. After viewing a replay of the race App. Burrells concurred with the views of the Stewards in that after her mount had been slow to begin she would have been better served by allowing her mount to race back in the field where it could obtain a position closer to the rail.

Was subsequently examined by the club's veterinary officer and was passed fit to start. Trainer Mr N. Olive was advised that a warning would be recorded against the gelding's barrier manners. When questioned, R. Bensley stated that his mount travelled well until passing the 350 metres from which point it ran home only fairly to the line. A post-race veterinary examination of the gelding revealed no abnormalities. Trainer Mr N. Olive advised that the gelding would now be sent for a spell. Rider R. Bensley was reprimanded under AR137A (5) (a) (ii) for using his whip on six occasions prior to the 100 metres, one more than is permitted under the rule.

Hay Now—Raced wide throughout.

Mon Bel Ami—Near the 200 metres, after improving into a narrow run between *Edge Of Madness* and *Balonne*, shortly after had to be steadied when crowded between those runners when *Edge Of Madness* shifted out marginally and *Balonne* (R. Bensley) shifted in. R. Bensley was advised to exercise more care.

Balonne—Slow to begin.

Bill's My Boy—Approaching the course proper at the 1000 metres was restrained by its rider S. Miller due to his mount having been taken inside the line by *Edge Of Madness*, which in turn had been taken in by *Bendoura* (App. A. Sweeney), which shifted in when not quite clear. App. A. Sweeney was reprimanded under AR137 (a). In not taking more direct action against App. Sweeney, Stewards took into consideration that S. Miller, the rider of the gelding, had taken precautionary action prior to losing any running and also that the racing manners of that gelding, which was pulling hard and continued to do so for some distance after this incident had contributed to the incident.

Brazen Choice—A pre-race veterinary examination of the gelding, which had dislodged a tooth, cleared that runner fit to start. Slow to begin. Raced wide throughout.

Foxteller—Overraced in the middle stages and after the 900 metres had to be restrained when awkwardly positioned on the heels of *No More Drinks*.

King Hoorah—Was crowded shortly after the start between *Foxteller* and *No More Drinks*, which shifted in.
